Washington, DC 20505

Dear Dick:

STAT

Attached you will find two copies of the May 1 Interim Report of the Academy to the Congress. As we discussed, you will provide these to Director Webster, who will then send them to Senator Boren and Congressman Stokes.

The Panel, project staff and I appreciate the continuing assistance of your immediate staff and the many members of the intelligence agencies who have provided the input needed for this report.

Sincerely,

for *Don I. Wortman*
Don I. Wortman
Project Director
